Table 2. Project Activities, Outcomes, and Goals

<p>Activities List the activities that you performed for your grant. <i>Example: Landowners and volunteers planted 250 bare-root seedlings of white pine on the shore of Lake Olson.</i></p>	<p>See Activities Attachment</p>
<p>Outcomes List the outcomes of the project to determine if the project reached its goals. Quantify the outcomes of the project that you listed in your grant application. <i>Example: A 100 foot buffer was installed on property 1. A 300 sq ft rain garden was installed on Property 2. Etc...</i></p>	<p>See Outcomes Attachment</p>
<p>Goals Evaluate if the outcomes of the project were consistent with the goals described in your grant application. Provide explanation if outcomes exceeded or did not meet your expectations. <i>Example: The white pine plantings visibly reduced soil erosion on the sandy soils but erosion continued on the clay soils because of high seedling mortality and concentrated flow.</i></p>	<p>See Goals Attachment</p>
