# **Publicity Conclusions**

The publicity was successful.

- The education seminar on June 2 had 20 participants attending. Of the 20, only 4 were participants in the grant. We reached and educated 16 people outside the scope of our project.
- We had representation at the education seminar from 3 area lakes; Clearwater, Eagle and Peterson.
- After the Clearwater Lake Association presentation, 3 properties on Clearwater Lake requested appointments with Hayland Woods for runoff project evaluations.
- Clearwater Camp created a week long program, "ECO" week program, which included the installation by camp participants of their grant project.
- An Eagle Scout candidate joined the project by making part of the Clearwater Camp project his service project.
